# THE VENUE

We have been using the same venue for the past five years and have found it to be a great success.

Victoria Park is a 5 minute walk from the centre of the Waimate township, behind the painted silos.

Spectators and competitors can wander around the manicured gardens, plenty of picnic spots, there's a camping ground, a world class velodrome, and multiple other sporting facilities. There's also a fantastic playground, a bird aviary and a wallaby enclosure to keep younger kids entertained.

# WE APPRECIATE OUR SPONSORS

[/WhitehorseBigEasy/](https://www.facebook.com/WhitehorseBigEasy/)

[whitehorsebigeasy.co.nz](http://whitehorsebigeasy.co.nz)

By becoming a sponsor your business is partnering with our event. We want to create a mutually beneficial sponsorship arrangement for many years to come.

Your sponsorship allows us to run the event, and use any profits to further develop tracks in the District, and to support charitable causes. We are a not for profit event.

With five successful events completed, this coming April we will be celebrating 7 years of the Whitehorse Big Easy event. This is a great opportunity for our sponsors to receive excellent exposure as our event continues to grow.

We will use our social media platforms to advertise your involvement with the event, and also promote your business. We can provide you with graphics to use on your social media pages and newsletters, letting your clients know about your involvement.

It's an affordable and effective way to promote your products and services to our online community. We would encourage all of our sponsors to help us spread the news of their involvement.

On race day sponsors will also be able to set up tents at Victoria Park, and entertain your clients with the live sporting action, food and drink stalls. We get a lot of spectators from the local community, as well as supporters and participants. Entry to the event as a spectator is free.

We would love to have our sponsors enter any of the events!
