RUN OR WALK

Start at Victoria Park. Turn right onto Naylor's Track, follow the track along to Point Bush Rd, where you cross over the road and onto Garlands Track. These tracks are flat and under the cover of trees, they follow along beside a stream

Turn left onto Garlands Rd and wind your way up a gradual incline, then head back down Pt Bush Rd, back along Naylor's Track and to the finish at Victoria Park.

This is a scenic and achievable course for all ages - walk it or run it!
